**An ordinance to enact Subchapter 507 of the Presque Isle Municipal Code**  
**Restricting Certain Artificial Wake Enhancement**

**WHEREAS**, in the interest of public health, safety, and/or welfare, including the public's interest in preserving natural resources, the Town of Presque Isle ("Town") has the authority to enact ordinances covering waters within its jurisdiction if the ordinances are not contrary to or inconsistent with Chapter 30, Wis. Stats., and they relate to the equipment, use, or operation of boats or to any activity regulated by Sections. 30.60 to 30.71, Wis. Stats.; and

**WHEREAS**, there are 70 pristine, named lakes within the township boundaries, the majority being small water bodies less than 200 acres; and

**WHEREAS**, artificially enhanced wakes can cause environmental damage to lakes and lakeshore, including resuspension of sediment adding nutrients to the water and possible increased algal blooms, turbidity, shoreline erosion, and threats to aquatic life and waterfowl; and

**WHEREAS**, boats with ballast systems increase the likelihood of aquatic invasive species being introduced and spread on lakes; and

**WHEREAS**, artificially enhanced wakes can damage shoreline, lake bottom, moored boats, and shoreline structures including docks; and

**WHEREAS**, operating boats in a stern down manner creates downward prop wash, disturbing the lake bottom far below the wave zone, up to 20 feet and more below the surface; and

**WHEREAS**, artificially enhanced wakes can endanger swimmers, anglers, and other watercraft; and

**WHEREAS**, the use of ballast and wake enhancing fins can cause unsafe operation by causing the bow to rise obscuring vision forward; and

**WHEREAS**, the Town submitted a draft of this ordinance to the Wisconsin DNR for advisory review at least 60 days prior to passage, pursuant to 30.77(3)(d), Wis. Stats.; and

**WHEREAS**, some public uses must yield if other public uses are to exist at all (93 Wis.2d 78, 286 N.W.2d 622);

**WHEREAS**, the Town Board, after considering public comments and any DNR suggestions, determines that adopting this Ordinance is consistent with all other ordinances of the Town and would promote the public health, safety and welfare, including the public's interest in preserving natural resources;

**NOW, THEREFORE**, the Town Board of the Town of Presque Isle does ordain as follows:
