Social Time

Immediately following the Annual Meeting, we invite you and your family/guests to enjoy a social gathering, hosted by the Oxbow Lake Association. We've taken this approach for the last 2 years, so that folks who are just up for a short visit can come to the meeting, visit with friends (or new acquaintances) for a while, then go on about with the rest of their vacation. Based on very positive feedback, we will be doing the same thing again this year. This year, based on last year's participation and feedback (we do listen!), we are scaling back the food offerings, and will just provide some pastries and fruit assortments. Coffee, soda and water will be provided. BYOB if you want to make up your own favorite "day drinking" cocktail. You are welcome to bring an additional plate of goodies if you feel like showcasing your "café chef" prowess!
